

Wiremold
Evolution Series EFB6 Floor Box Module
Part No. EFB6M

Evolution™ Series Floor Boxes are the latest advancement in the most complete and innovative line of floor solutions in the industry. In addition to a unique design that allows the same floor box to be used in multiple floor applications, high capacity and multi-functional capabilities make Evolution Series Floor Boxes ideal for areas where large capacity audio/video, power and communication services are needed. These boxes have completely finished interiors with removable modules that provide easy access for reconfiguring services. Evolution Series Floor Boxes are an ideal option for installations where services are constantly evolving, such as commercial offices, conference rooms, stages, and entertainment venues.

Features & Benefits

Bank of three (3) compartments that accept power, communications and audio/video devices. Accepts standard size (2 3/4" x 4 1/2" (70mm x 114mm)) device plates. Includes device bracket, back plate, three (3) knockout plates (3/4"/1 1/4" concentric), two (2) end caps and one (1) divider. NOTE: Module will fit on either side of the floor box.
