

Wiremold
EVO HINGED WALL BOX SPACE WH
Part No. EHWB-SPACER

The Evolution™ Series evolves with the addition of the Evolution Series Hinged Wall Box. These boxes offer a clean look that architects love with all the functionality and flexibility that engineers and contractors require. Evolution Series Hinged Wall Boxes include a finished interior in 4- and 8-gang versions, with a decorative, hinged, locking cover that is paintable to blend with any decor. Evolution Series Hinged Wall Boxes work in both new work and old work applications. These boxes are easily configured and/or reconfigured when needed. They're designed to accept most manufacturers' power, communications, and A/V devices, while having the depth behind device mounting plates to accommodate even the largest A/V devices. Evolution Series Hinged Wall Boxes are ideal solutions for hotels, hospitals, lecture halls, conference rooms, entertainment venues, and airports.

Features & Benefits

Used to close off openings when certain combinations of standard width device plates leave open spaces. Two (2) spacers provided.
