

On-Q
Discontinued - 20-inch Plastic Trim Ring
Part No. ENP2001

The Plastic Trim Rings conceal imperfections in drywall cutouts for clean enclosure installations. The modular design snaps together quickly and easily without the need for tools. This also allows the trim rings to be packaged in a compact bag, which save

Features & Benefits

Made with ABS plastic, the enclosure is designed to integrate wireless devices without interference. Snaps together quickly and easily without tools.

Modular design allows for compact packaging - reducing storage space and shipping costs. Includes hardware for installation and cable management.

Trim Ring can be installed to support left or right door swing.
