

Vantage
Discontinued - Equinox 40
Part No. EQ40TB-TI

Equinox 40 is a small form factor LCD keypad that provides control of scenes, shades, audio, and climate in a single-gang, 4.3" capacitive touch LCD screen. It offers a simple navigation experience and an ambient light sensor for auto day/night backlighting. Utilizing the power of Vantage Design Center software, Equinox 40 can be configured with multiple mini widget combinations and access to between 9-15 programmable lighting or scene buttons (depending on the configuration selected).

Features & Benefits

Features a 4.3" LCD panel with projected capacitive touch interface

Unique, mini graphical user interface aesthetically identical to other Equinox devices

Ambient light sensor for auto day/night backlighting

Specifications

General Info

Product Line	Vantage	Replaced by Part Number	EQ40TB-TI-II
Color	Titanium	UPC Number	804428058021
Application Sector	Residential	Type	Accessory

Dimensions

Product Width US	4.5 in	Product Weight US	1.0 lb
Product Height US	2.75 in	Product Length US	6.25 in

Technical Information

Seismic Tested	No	Sensor Type	Daylight, Proximity
