Vantage
Equinox 41
Part No. EQ41TB-TI

With its minimalistic on-wall presence Equinox 41 functions as a graphical user interface to the Vantage system and provides a personalized dashboard for multi-system control. Key to accomplishing this are the on-screen widgets. Once configured, widgets can easily be edited on the device itself. In addition, individualized profiles can be created based on time of day, location, function, or individual. The Equinox 41 touchscreen and EQ app are compatible with CoolAutomation which enables Vantage to fully control the Universal HVAC Interface Point making it easy to integrate most HVAC system brands into the Vantage Infusion System.

Features & Benefits

Features a 4.3"" LCD panel with projected capacitive touch interface

Simple, intuitive graphical user interface for multi-system control

Always on multi-system interface that shows scenes widget status via on-screen widget

Specifications

General Info

Product Line	Vantage	Color	Titanium
UPC Number	804428058045	Application Sector	Residential
Type	Accessory		

Dimensions

Product Width US	4.5 in	Product Weight US	1.0 lb
Product Height US	2.75 in	Product Length US	6.25 in

Technical Information

Sensor Type	Daylight, Proximity
