

With its modern on-wall presence, the Equinox 41 functions as a graphical user interface to the Vantage system and provides a personalized dashboard for multi-system control. Once configured, widgets can easily be edited on the device itself. In addition, individualized profiles can be created based on time of day, location, function, or individual. The Equinox 41 touchscreen and Equinox App are compatible with CoolAutomation which enables Vantage to fully control the Universal HVAC Interface Point making it easy to integrate most HVAC system brands into the Vantage InFusion System.

## Features & Benefits

Features a 4.3" LCD panel with projected capacitive touch interface	Simple, intuitive graphical user interface for multi-system control
Always on multi-system interface that shows scenes widget status via on-screen widget	Ambient light sensor for auto day/night backlighting
Active IR sensors for approach on and auto sleep modes	Tap, swipe, press, and hold to navigate

## Specifications

### General Info

Product Line	Vantage	Color	Titanium
UPC Number	804428058045	Country Of Origin	China
Application Sector	Residential	Type	Accessory

### Dimensions

Product Width US	4.5 in	Product Weight US	1.0 lb
Product Height US	2.75 in	Product Length US	6.25 in

### Technical Information

Seismic Tested	No	Sensor Type	Daylight, Proximity
