

Ortronics
EZ Patch™ Flat Pack Reduced Diameter CAT6 3ft, 12 Pack, White
Part No. EZFPR603Q12-09

The EZ Patch Flat Pack is an innovative addition to the EZ Patch series, allowing a 12 or 24-pack of cords to be distributed from flat plastic packaging, which is ideal for patch panel applications. The reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.
