

Wiremold
dash Furniture Power Center, 2 Outlet, 1 USB, and 1 Switch, Graphite
Part No. F4RRUS6NRGC

The dash™ Furniture Power Center is designed to add convenient access to power and data directly to your furniture while maintaining a clean design. This ready-to-purchase standard offering features two outlets, a USB cube and a switch cube to control a cord-connected lighting fixture. The beautiful graphite finish is designed to blend into hospitality spaces, complementing the existing decor with no exposed screws.

Features & Benefits

All dash™ products are easy-to-install, requiring minimal hardware.

Tamper-resistant receptacles protect users and devices from damage or risk of injury

The dash FPC is designed to blend right into any space, complementing existing decor with a minimalist design that's right on target with high end environments.

This product is required to install from the front, which is easy and flexible. Unit can be mounted vertically and horizontally

RoHS, Prop 65 compliant.

Combine USB type A/C ports with switching and data options.

Passed UL 962A Spill Water Test requirements so it can even be used in a horizontal surface such as a tabletop.
