

**Wattstopper**  
**DALI 0-10 Outdoor PIR Sensor, 40 ft Mount, Terminal Connector, Grey**  
Part No. FDP-301-L7-TG

The FDP sensor series allows your lighting fixtures to participate in the internet-of-things (IoT) revolution. This sensor family features bi-directional communication between sensor and driver, enabling connected systems for smarter, more energy efficient and data-driven applications. The FDP sensor series is compatible with various intelligent drivers including Signify SR or many other connected drivers. By connecting to an intelligent driver, the FDP sensor series does not need its own power supply which will save cost and space inside the luminaire.

## Features & Benefits

- |  |  |
|--|--|
| Two lens configurations for mounting heights from 8' to 40'                    | Continuous dimming provides energy code compliance   |
| Bluetooth Sensor Configuration App allows easy commissioning from ground level | Stream-lined design for seamless fixture integration |
| Manual reset button for security recovery                                      | IP66 rated housing                                   |

## Specifications

### General Info

Color	Gray	UPC Number	754182940899
Country Of Origin	China	Product Line	Wattstopper
