DO NOT USE Force10® GP-XFP-1S Compatible 10GBase-SR MMF XFP Transceiver Module

Part No. GP-XFP-1S-LEG

..

This XFP transceiver module is designed for use with Force10 network equipment and is equivalent to Force10 part number GP-XFP-1S. This transceiver is built to meet or exceed the specifications of the OEM and to comply with Multi-Source Agreement (MSA) standards. This product is 100% functionally tested, and compatibility is guaranteed. The transceiver is hot-swappable input/output device which allows a 10 Gigabit Ethernet port to link with a fiber optic network. OEM specific configuration data is loaded on to the EEPROM of the transceiver at the factory, allowing this transceiver to initialize and perform identically to an OEM transceiver. This transceiver may be mixed and deployed with other OEM or third party transceivers and will deliver seamless network performance. A list of compatible network equipment is available on the Specs tab of this page.

Specifications

General Info

Product Line	Legrand	Color	Silver
UPC Number	757120669166	Country Of Origin	United States
Application Sector	Commercial/Industrial		

Trade Programs

TAA Compliant	Yes
