

Pass and Seymour
Discontinued - Harmony® Tru-Universal Dimmer, White
Part No. H703PTUW

Ideal for residential and light commercial applications, the Harmony Tru-Universal Dimmer is the simple solution to all your dimming challenges. It works with every dimmable lamp, load, and fixture (except 0-10V loads).

Features & Benefits

Self-Calibration feature allows users to select lamp type, which then automatically sets the minimum voltage for that lamp, eliminating flickering and poor performance.

Preset, Single Pole and 3-Way Operation.

Sleek, ergonomic P&S Decorator style matches other Decorator devices.

Constant memory returns lights to previous level after a power failure.

For covering patents, see www.legrand.us/patents.

Convenient operation combines ON/OFF Decorator switch with separate slider for dimming control.

Green LED glows when OFF to make dimmer easy to find in the dark.

Wider slide control for easier dimming operation.

No derating required for one- and two-gang applications.
