

Infinium M4 HDFP Adapter Panel, 6 Keyed Front Keyed Rear LC Duplex Adapters, 12 Fiber, Red Part No. HDFP-LCD12ZC-D

Legrand keyed LC fiber solutions provide a simple and convenient way to physically prevent the user from making an unauthorized connection by blocking access to specific optical ports, whether they are at a workstation outlet or in a telecommunications room or data center. This is particularly important for government, finance, military and other facilities where multiple networks having different security level access requirements may be co-located.

Specifications
