

Specifications

General Info

Product Line	Ortronics	Type	Fiber Adapter Panel
--------------	-----------	------	---------------------

Standard	RoHS compliant. Meets or exceeds TIA/EIA-568-C.3 requirements
----------	---

Dimensions

Product Width US	4.19 in	Product Height US	1.24 in
------------------	---------	-------------------	---------

Product Weight US	0.1 lb	Product Depth US	1.15 in
-------------------	--------	------------------	---------

Technical Information

Number of Fibers	16	Adapter Front	Keyed
------------------	----	---------------	-------

Operating Temperature	-40 to +75°C C	Durability	< 0.2dB typical change,500 matings
-----------------------	----------------	------------	------------------------------------

Form Factor	LC Duplex	Adapter Rear	Non-Keyed
-------------	-----------	--------------	-----------
