

radiant Collection
Discontinued - radiant® Smart Tru-Universal Dimmer with HomeKit Technology, White
Part No. HKRL50WH

Features & Benefits

Easily replaces a home's standard switch, neutral wire required, to operate any 120V dimmable light or fixture.

For remote and automated control, device requires an Apple TV with tvOS11 or later, an iPad with iOS 11 or later, or a HomePod set up as a home hub.

Pairs with the radiant® Smart Remote Dimmer with HomeKit Technology for multi-way control of a light or fixture.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look.

Works with Apple HomeKit Technology for control through iOS devices. Even ask Siri to turn on the lights.

Use Legrand Home app for scenes, room grouping, automation triggers and more.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.
