

**On-Q**  
**Discontinued - HomeKit Plug-in Tru-Universal Dimmer**  
Part No. HKRP20

Legrand Lighting Control for HomeKit offers an easy, secure way to control lights, outlets, thermostats and more, all from your iPhone or iPad. Part of the Legrand family of products fully enabled to interface with Apple HomeKit, this plug-in Smart Dimmer allows you to control and adjust light levels for table and floor lamps using virtually any dimmable bulb. Simply ask Siri to control the lights, or use the Apple or Legrand Home apps to create scenes, group rooms and more. Tru-Universal Dimmers work with virtually any 120V dimmable bulb or fixture, adjusting to the exact light level you want, without the flicker.

## Features & Benefits

Works with Apple HomeKit Technology for control through iOS devices. Even ask Siri to adjust the lights.

Provides dimmable control of table and floor lamps using any 120V dimmable bulb.

Installs easily, no wiring required. Simply plug in to an existing 120V electrical outlet.

For remote and automated control, device requires an Apple TV with tvOS11 or later, an iPad with iOS 11 or later, or a HomePod set up as a home hub.

Use Legrand Home app for scenes, room grouping, automation triggers and more.
