

Vantage
Discontinued - InFusion Controller DIN-II Lite
Part No. IC-DIN-II-LITE

The IC-DIN-II-LITE controller offers a solution that delivers a no-compromise approach to simplifying complex automation challenges. The IC-DIN-II-LITE provides a scalable future-ready system with unique user interface experiences. All delivered through a single software design and programming tool to help translate vision into reality.

Features & Benefits

The InFusion Controller is the “main brain” of the system and is capable of supporting all Vantage user interfaces, including Equinox touchscreens.

One InFusion Controller DIN-II-LITE supports up to 20 WireLink stations or 16 EQ40s and up to 60 RadioLink stations

Specifications

General Info

Product Line	Vantage	Replaced by Part Number	IC-DIN-II
Color	Black	Application Sector	Residential
Type	Accessory		

Dimensions

Product Width US	6.0 in	Product Weight US	4.1 lb
Product Height US	6.0 in	Product Length US	18.0 in

Additional Information

RoHS Compliant	Yes
----------------	-----

Technical Information

Seismic Tested	No
