

Ortronics Category 5e Keystone jack, Orange

Part No. KS5E-43

TechChoice® Keystone jacks and modules feature an easy-to-follow universal wiring label and support standard termination using a 110-impact tool. The Keystone footprint allows for the greatest $% \left(1\right) =\left(1\right) \left(1\right) \left($ flexibility in installationscheduling because its rear insertion into the faceplate allows the technician to complete the termination before, during and after the construction process.

Features & Benefits
