

Legrand
Category 5e Keystone jack, Blue
Part No. KS5EA-36

Category 5e Keystone jack, 8-position, 180 degree exit, icon compatible, T568A/B wiring, Package of 25. TechChoice keystone jacks and modules feature an easy-to-follow universal wiring label and support standard termination using a 110-impact tool. The keystone footprint allows for the greatest flexibility in installation scheduling because its rear insertion into the faceplate allows the technician to complete the termination before and during the construction process.

Features & Benefits

High quality insert for use in multimedia wallplates

Rear loading: Preferred mounting for panels.

RoHS compliant: Lead free.

Easy to follow universal wiring label: Quick and user-friendly, eliminates confusion.

Icon compatible: Supports 606 designation requirements.
