

Ortronics  
Category 5e Keystone jack, Red  
Part No. KS5EA-42

TechChoice® Keystone jacks and modules feature an easy-to-follow universal wiring label and support standard termination using a 110-impact tool. The Keystone footprint allows for the greatest flexibility in installationscheduling because its rear insertion into the faceplate allows the technician to complete the termination before, during and after the construction process.

## Features & Benefits

---

Category 5e  
Standards compliant

Icon compatible  
Supports 606 designation requirements

Easy to follow universal wiring label: Quick and user-friendly, eliminates confusion.

Easy to follow universal wiring label  
Quick and user-friendly, eliminates confusion
