Ortronics

1-LC (2 fibers) fiber Keystone module, Blue adapter, Fog White Housing

Part No. KSLCSM

TechChoice® fiber keystone jacks and modules The keystone footprint allows for the greatest flexibility in installation scheduling because its rear insertion into the faceplate allows the technician to complete the termination before, during and after the construction process. TechChoice modules are available in LC, SC, ST and FC, styles in order to suit any installation requirement.

Specifications

General Info
