

Pre-Configured Infinium Fiber Patch Cords are built to exceed industry standards for quality, performance, insertion and return loss. Available in three performance tiers Infinium Quantum, Infinium Ultra, and Infinium Core. Each tier is available in Single-mode and Multimode. The most common configurations are setup for easy selection and purchase – If you require other configuration options or assistance with designing the appropriate patch cable assembly for your application please contact Legrand support. All images of Pre-Configured Infinium Fiber Patch Cords on the website are representative, actual length will vary based on selection.
