radiant Collection
Discontinued - In-Wall Tru-Universal RF Dimmer, Light Almond
Part No. LC2101LA

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.The In-Wall Tru-Universal Dimmer operates all dimmable lighting types and loads using the home's existing electrical wiring. Its patented Tru-Universal technology automatically adapts to any load or combination of loads attached to it, eliminating flicker, early dropout, or pop-on deficiencies which can plague other non-adaptive dimmers. Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more.radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
