

radiant Collection
Discontinued - In-Wall 2-Wire Incandescent RF Dimmer, Light Almond
Part No. LC2102LA

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The 2-Wire Incandescent RF Dimmer dims traditional incandescent loads using the home's existing electrical wiring. Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
