

radiant Collection
Discontinued - In-Wall Remote RF Dimmer, Light Almond
Part No. LC2103LA

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The Remote RF Dimmer provides convenient control from multiple access points when used with a load-bearing RF dimmer (LC2101, LC2102, LC2150). Legrand's RF Lighting Control switches and dimmers also integrate with the Intuity home automation system by Legrand for unified control of lights, security, audio, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.
