

Wattstopper Dual Single Pole Relay Module For LC8 Part No. LCSP-2

The LCDP-1 and LCSP-2 are relay modules for use with the LC8-120/277 panel. The LCDP-1 is a double pole/single relay module. The LCSP-2 is a single pole/double relay module. The modules are designed for easy installation within the LC8-120/277 panel.

Features & Benefits

Non-volatile program memory retains all programming during power outages	Interchangeable single-pole and double-pole relay modules
Manual override of relays and channels via touchscreen interface	Pilot light output for each switch input
Eight universal switch inputs for low voltage switches, occupancy sensors or other devices to directly control each relay	Accepts most types of switch inputs
Compatible with LVSW-100 Series Low Voltage Switches and AS-100 Automatic Wall Switch	

Specifications

General Info

Product Line	Wattstopper	UPC Number	754182931811
Country Of Origin	China	Application Sector	Commercial

Dimensions

Product Width US	3.34 in	Product Weight US	5.832 oz
Product Volume US	21.887 cu in	Product Depth US	2.337 in
Product Height US	2.804 in
