

Wattstopper 2-Button Low voltage Switch Color Kit, Black

Part No. LVSW-KIT-102-B

The LVSW-KIT-100 Series are replacement button trim color kits that are compatible with all LVSW-100 Series Low Voltage Switches. They are available with or without custom engraving.

Features & Benefits

Field replaceable buttons for LVSW100 Series Low Voltage Switches

Available for 1-, 2-, 3-, 4- and 8-button wall switches

Choice of white, light almond, ivory, grey and black; includes matching trim ring for complete color change

Customized engraving option

Button kits snap onto existing switches without tools for fast, easy color update or personalization

Ideal for switch labeling, building remodeling, or repurposing of controls
