

Clarity 5E Patch Cord, Category 5e, modular 8-position to 110. Cord is terminated on one end with newly designed male 110 connector. The other cord end is terminated with an 8-position modular plug with Ortronics Paralign 2 pair isolation technology.

Features & Benefits

Verified to TIA component specifications to ensure component performance

Internal signal feedback of the 110 plug design controls noise contributors

Center tuned Paralign™ 2 modular plug design controls the plug for a transparent mated union

Assembled with premium cordage for performance, reliability, and long life

Factory tested for performance to ensure consistent reliability
