

Ortronics  
**Clarity CAT6 Shielded Patch Cord, 7', Red**  
Part No. MCS607-02

Clarity® shielded patch cords utilize center tuned technology to elevate channel performance. More importantly, center tuning these cords to Clarity jacks and panels provides significant elevation of channel performance that can be field measured.

## Specifications

### General Info

|              |                   |                    |                       |
|--------------|-------------------|--------------------|-----------------------|
| UPC Number   | 662875617600      | Country Of Origin  | Mexico                |
| Product Line | Legrand           | Application Sector | Commercial/Industrial |
| Type         | Copper Patch Cord | Standard           | ETL                   |
