

Midget Lock Connector 2pole 3wire 15amp 125v

Features & Benefits

Quality Materials, durability, and time-tested design

Specifications

General Info

Color Black

UPC Number 785007124491

Countries Of Origin Mexico

Product Line Pass & Seymour

Application Sector Commercial/Industrial

Standard UL Listed

Technical Information

Number of Poles Double Pole

Voltage 125 V

Phase Single

Wire Size 18/3 thru 14/3 AWG Round cord (.23" to .52" Dia.)

Number of Wires 3

Environmental Conditions UL94 V2, Maximum Continuous +75°C, minimum -40°C without impact
