Vertical cable trays consist of a pre-cut section of Cablofil® cable tray and mounting hardware designed to mount on the rack and manage distribution cables routing from the patch panel and equipment out of the rack. It mounts to the strut on the rack and can be adjusted front to back.

Features & Benefits

Mounts vertically on the side of a 4 post rack: Provides cable management for distribution terminated to patch panels vertically out of the rack.

Wire frame construction: Provides cable management above and below equipment while not blocking side ventilating airflow.

Specifications

General Info

Product Line	Ortronics	Color	White
UPC Number	662875218272	Country Of Origin	United States
Application Sector	Commercial	Type	Rack

Dimensions

Product Width US	2.0 in	Product Depth US	12.0 in
Product Height US	91.0 in		

Additional Information

RoHS Conformant	Yes
