

MM6 Cable Management Racks

Features & Benefits

High density racking solution: 51 rack units front and rear.

Choice of vertical management: A solution for every application - vertical cable management cage with individual rack unit fingers and hinged door, vertical cage with hinged access latches, and cable management rings.

Patented channel construction: Protects and conceals your horizontal cabling like no other rack.

Built-in top trough with waterfalls: Gives bend radius control and cable routing.

Open channels top and bottom: Allows floor and ceiling access for horizontal distribution cables.

EIA hole pattern front and rear of channel: Supports equipment shelves and heavy electronics while power strips and other accessories can be mounted to the rear rail without using additional rack space.

Can be assembled as a 19" or 23" rack: No additional hardware required- no need to stock two sizes of racks.

Speed nuts included: Increases speed and ease of assembly, while adding extra strength to your rack--Speednut eliminates the need for a second wrench.

Rack includes hardware kit, two packages of hook and loop D-style straps and 50 #12-24 equipment mounting screws: Do not have to purchase as separate items - money saving.

Specifications

General Info

Product Line	Ortronics	UPC Number	662875498094
Country Of Origin	United States	Application Sector	Commercial
Type	Rack		

Additional Information

RoHS Compliant	Yes	Product Environmental Profile	Yes
