

radiant Collection
radiant® Single Pole/3-Way Switch with Night Light, Black
Part No. NTL873BKCC6

Add the convenience of a little extra light, wherever your home needs it, with this combination switch and built-in night light from the radiant® Collection. Easily replacing an existing single-pole or 3-way switch, the night light portion has five adjustable light levels and uses a hidden sensor to turn on when it is dark, making it a great addition to bathrooms, kitchens and nurseries. Features the sleek, clean lines of radiant for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any single-pole or 3-way switch with ease, in as little as 10 minutes. Offers installation flexibility, working in both single-pole and 3-way applications.

Hidden sensor controls night light based on ambient light, automatically turning on when it is dark.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Features five adjustable light settings: Ultra Low, Low, Medium, High and OFF.

Features durable, high-impact resistant thermoplastic construction.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
