

Legrand
radiant® Single-Pole/3-Way Switch with Night Light
Part No. NTL873WCC6

Add the convenience of a little extra light, wherever your home needs it, with this combination switch and built-in night light from the radiant® Collection. Easily replacing an existing single-pole or 3-way switch, the night light portion has five adjustable light levels and uses a hidden sensor to turn on when it is dark, making it a great addition to bathrooms, kitchens and nurseries. Features the sleek, clean lines of radiant for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any single-pole or 3-way switch with ease, in as little as 10 minutes. Offers installation flexibility, working in both single-pole and 3-way applications.

Features five adjustable light settings: Ultra Low, Low, Medium, High and OFF.

Hidden sensor controls night light based on ambient light, automatically turning on when it is dark.

Features durable, high-impact resistant thermoplastic construction.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
