

Nuvo
Discontinued - 6.5 in Nuvo Series Two Angled In-Ceiling Speakers
Part No. NV2IC6ANG

The NUVO Angled In-Ceiling speakers are designed to perform and look great. This 6.5" model has silk dome tweeters and poly woofers, and is finished beautifully with their completely rimless, magnetic grill. They also offer quick and secure installation by utilizing three dog legs, instead of the usual four, and includes pivoting tweeters. These tweeters are connected to a unique tweeter bridge that maximizes sound quality, looks great, and serves as a handle to hold the speaker by during installation. The NV-2IC6-ANG serves equally well for in-ceiling theater installation, as it does for targeted two channel audio installations. These speakers have a fifteen degree baffle that angles the woofer and tweeter towards the seating positions of the listener.

Features & Benefits
