

The Series Two Landscape Satellite Speakers have a 3.5-in inch poly woofer and a half inch UFLC tweeter in a low profile, black teardrop enclosure for clear, robust audio and even coverage. Designed to deliver impressive sound to outdoor areas, the satellite speakers are easy to install with color coded direct burial speaker wire leads. The Satellite Speakers are the ideal add-on to the Nuvo Series Two Landscape Speaker System for larger outdoor areas where more audio coverage is desired.
