

Nuvo  
Discontinued - P400 Player Portfolio Tabletop Speaker  
Part No. NVP400NA

The P400 Tabletop Speaker (NV-P400-XX) easily expands the Player Portfolio system to any room of the home playing audio in a single zone or staying perfectly in sync when all rooms are singing the same song.

With a powerful 2.1 system, the P400 is an all-in-one stereo speaker and amp. It fills any space with dynamic, rich audio from networked music collections or a near-infinite variety of streaming sources. Controlling the Tabletop Speaker is easy using the Player app on iOS or Android devices, Nuvo in-wall keypads, or the capacitive touch controls on the Tabletop Speaker convenient for when your phone is out of reach.

Check out the [Player Portfolio mobile app](#).

Outside North America? Use -EU, -UK or -AU when ordering.

## Features & Benefits

Adds a single zone to any Player Portfolio system for easy expansion into any room

Connects wirelessly or by Ethernet to the home network for seamless integration
