

Legrand
P4300 Professional Series Player
Part No. NVP4300NA

With a back-lit touch screen for configuration, system status, and the ability to show zone names, the P4300 Professional Series Player (NV-P4300-XX) is the latest generation of Nuvo Players. Providing 110 Watts of power per zone, this single rack-mount unit delivers high fidelity audio to three independent zones. Your music is always in hand with built-in access to streaming services and the ability to play content from networked computers and your iOS and Android devices. Super efficient Class D amplifiers provide the best quality audio the Player Portfolio has had to date and P4300 has side mounted heat sinks and no fans to allow convenient, single-space rack mounting. Power output remains consistent and can be set to 4, 6 or 8 ohm within the app during setup. All line inputs and line outputs use a combination 3.5mm analog/Toslink connection. Check out the Player Portfolio mobile app. Outside North America? Use -EU, -UK or -AU when ordering.
