

Delivering a stand-out bass response, the In-Wall Dual Passive 8-inch Subwoofer brings a whole new dimension of detailed clarity to music and movies. With a discrete design that allows for space-saving in-wall placement, the NVSUBIWDUAL8 adds a powerful low-frequency impact to medium and larger home theater or audio installations. Its sealed cabinet is constructed of durable MDF for a distortion-free, superior bass experience. A rectangular magnetic grill is included. The NVSUBAMP500 optional matching amplifier offers maximum versatility with rack-mount capability. The pair are designed to integrate with almost any audio system. A front-mounted screen allows for easy option selection such as EQ options which allow the amplifier output to be tailored to any Nuvo in-ceiling or in-wall passive subwoofers. One or two NV-SUBIWDUAL8 subwoofers may be used with one NVSUBAMP500xx.
