

Wiremold
OFR Series Overfloor Raceway 45 Degree Flat Elbow
Part No. OFR12

OFR Series Overfloor Raceway System provides four-channels of capacity and access to a wide range of power, communications, and A/V connectivity options in the smallest, lowest, narrowest, ADA compliant profile available in overfloor raceway systems. This system installs over existing floor coverings and is both tamperresistant and installer-friendly, making it an ideal solution for relocatable or permanent installations where access through floors and ceilings is not an option. There are also transition fittings to feed OFR Series Raceway from Wiremold wall-mounted raceway systems and Vista Architectural Columns. OFR Series Raceway accepts Wiremold Open System device plates that provide connectivity to a wide range of devices from leading communication and A/V providers.

Features & Benefits

For making diagonal 45° turns on the same surface.

Specifications

General Info

Product Line	Wiremold	UPC Number	786776182231
Country Of Origin	United States	Application Sector	Commercial
Standard	cETLus Listed	Type	Raceway

Listing Agencies / 3rd Party Agencies

ETL Listed	Yes
------------	-----

Buy American Act Compliance

NAFTA	Yes
-------	-----

Additional Information

RoHS Conformant	Yes
