

Cablofil
Vertical Inside 30 Elbow
Part No. P305849

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow ltray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splices and hardware

Specifications

General Info

Product Line	Cablofil	Finish	AL
UPC Number	800388117181	Country Of Origin	Mexico

Dimensions

Product Width US	13.5 in	Product Weight US	6.766 lb
Product Volume US	2.355 cu ft	Product Depth US	26.125 in
Product Height US	11.539 in		

Buy American Act Compliance
