

## Cablofil SC-5A-SR18-09 AL 5H STR REDUCER 18/09W Part No. P307372

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

| Material: Aluminum Alloy 6063              | Finish: Plain                   |
|--|---------------------------------|
| Bottom: LD: 1'' wide rung                  | Construction: Welded            |
| Connectors: All fittings are supplied with | Fitting heights (H): 4, 5, 6, 7 |
| Specifications                             |                                 |
