

## Cablofil 30 Horizontal Elbow

Part No. P311301

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Includes splices and hardware

## Specifications

General Info						
Product Line	Cablofil	Finish	Aluminum			
UPC Number	800388171756	Country Of Origin	Mexico			
Bottom Type	Ladder	Application Sector	Commercial, Industrial			
Туре	Horizontal Elbows					
Dimensions						
Product Width US	16.75 in	Product Weight US	5.157 lb			
Product Volume US	1.658 cu ft	Product Depth US	23.625 in			
Product Height US	7.241 in	Radius	24 in			
Trade Programs						
BAA	Yes
