

Cablofil
Horizontal Standard Tee
Part No. P311338

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splices and hardware

Specifications

General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388172128	Country Of Origin	Mexico

Dimensions

Product Width US	57.625 in	Product Weight US	25.641 lb
Product Volume US	23.181 cu ft	Product Depth US	96.0 in
Product Height US	7.241 in
