

Cablofil SB-4A-45VI24-12 AL 4H 45 IVR 24R 12W

Part No. P320540

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Specifications								
General Info								
Product Line	Cablofil	Finish	AL					
UPC Number	800388110441	Country Of Origin	Mexico					
Dimensions								
Product Width US	13.5 in	Product Weight US	6.551 lb					
Product Volume US	2.599 cu ft	Product Depth US	24.875 in					
Product Height US	13.374 in							
Buy American Act Compliance								
BAA	Yes
