

Cablofil
6A-FSP-AL-UPCHG 6H FITTING SPLICE KIT
Part No. P321978

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes 1 pair splices and hardware

Specifications

General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388477865	Country Of Origin	Mexico

Dimensions

Product Weight US	1.178 lb
