

Cablofil H-Binder Cover Joint Strip Part No. P600763

Notched for the tray side rail.

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Closes gaps at cover joints.

No fasteners required.

## Specifications

## General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388524767	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Туре	Accessories
Dimensions			
Product Width US	15.25 in	Product Weight US	0.276 lb
Trade Programs			
BAA	Yes
