

Cablofil  
H-Binder Cover Joint Strip  
Part No. P604552

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Closes gaps at cover joints.

Notched for the tray side rail.

No fasteners required.

## Specifications

### General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388527171	Country Of Origin	Mexico

### Dimensions

Product Width US	33.25 in	Product Weight US	0.647 lb
------------------	----------	-------------------	----------

### Buy American Act Compliance

BAA	Yes
