

Cablofil
Peaked Cover Connectors Channel-Style
Part No. P644953

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

For use with indoor, outdoor, or vertical flat covers.

Top and bottom pieces are 1 1/2" wide.

Specifications

General Info

| | | | |
|--------------|--------------|-------------------|---------------|
| Product Line | Cablofil | Finish | Stainless 316 |
| UPC Number | 800388534322 | Country Of Origin | Mexico |

Dimensions

| | | | |
|-------------------|------------|-------------------|----------|
| Product Width US | 19.625 in | Product Weight US | 0.381 lb |
| Product Volume US | 0.24 cu ft | Product Depth US | 2.062 in |
| Product Height US | 10.262 in | | |
