

Cablofil SB-6A-60HB24-12 AL 6H 60 HORZ ELBOW 24R

Part No. P645432

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits			
Includes splices and hardwar	е		
Specifications			
General Info			
Product Line	Cablofil	Finish	AL
UPC Number	800388164833	Country Of Origin	Mexico
Dimensions			
Product Width US	10.5 in	Product Weight US	9.037 lb
Product Volume US	2.68 cu ft	Product Depth US	21.0 in
Product Height US	21.0 in
