

## Cablofil

A-SPF-SR12-06 AL PKD FLG CVR HORZ REDUCE

Part No. P645442

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

### Features & Benefits

---

Material: Aluminum Alloy 5052 - H32

Finish: Plain

Width (W): Tray width: 6", 9", 12", 18", 24", 30", 36"

### Specifications

---

#### General Info

---

UPC Number	800388230095	Country Of Origin	United States
------------	--------------	-------------------	---------------

---

Product Line	Cablofil	Finish	Aluminum
--------------	----------	--------	----------

---

#### Dimensions

---

Product Weight US	5.54 lb
-------------------	---------

---

#### Buy American Act Compliance

---

BAA	Yes
